## KIT INCLUDES

## ABOUT

The **Drive Sleek** is weBoost’s most versatile vehicle cell phone signal booster. This booster can boost cell signals up to 32x, enhancing data signals for one cellular device used in a car, truck, van or RV - the device held securely in the included cradle. weBoost’s Drive Sleek is compatible with all US networks such as Verizon, AT&T, T-Mobile, US Cellular, Straight Talk and more.

This FCC Certified booster comes with all components needed for installation in one package making DIY installation a breeze. Like all weBoost products, the Drive Sleek comes with a 2-year warranty.

WEIGHT	.55 lbs.	

## INSTALLATION

- 1 **Receives signal:** The powerful antenna reaches out to access voice and data signals, and deliver them to the booster.
- 2 **Boost signal:** The booster receives the signal, amplifies it, and serves as a relay between your phone and the nearest cell tower.
- 3 **Broadcasts signal:** Your devices get a stronger signal, and calls and data are fed through the booster back to the network.
